Parent Portal Acceptable Use Policy

Clinton Community School District (CCSD) provides the Parent Portal as a means to further promote educational excellence and to enhance communication with parents. The Portal allows parents to view their own child's unofficial school records anywhere, at any time an Internet connection is available. In response for the privilege of accessing the CCSD Parent Portal, every parent is expected to act in a responsible, ethical, and legal manner. The Portal is available to every parent or guardian of a student enrolled in the Clinton Community School District. You only need to sign up ONCE and your account will remain active as long as you have students attending CCSD. Parents are required to adhere to the User Guidelines as outlined.
