

# Clinton Community School District

Dear Employers,

August 2016

It is my hope that you would share with your prospective employees the GREAT things that are happening in the Clinton Schools and why it would be a positive fit for their children. The Clinton Schools have a commitment to excellence and have been widely acclaimed, not only in the state of Iowa, but in our nation, as school of the future that sets a high bar for academic achievement and post-secondary success.

We are focused on preparing our students and graduates for a future that demands skills of being creative, innovative, collaborative, using critical thinking skills, solving problems, being a member of a team, the use of effective oral and written communication, using technology, and practicing ethical and social responsibility. All of our community members are encouraged to take an active involvement with Clinton Schools. Together, we can proclaim a *"Bold Vision and a Bright Future"* for ALL children in Clinton, Iowa. - Deb Olson, Superintendent of Schools
