

EMPLOYEE RECORDS

The school district shall maintain personnel records on employees. The records are important for the daily administration of the educational program, for implementing board policy, for budget and financial planning, and for meeting state and federal requirements.

The records shall include, but not be limited to, records necessary for the daily administration of the school district, salary records, evaluations, application for employment, references, and other items needed to carry out board policy. Employee personnel files are school district records and are considered confidential records and therefore are not generally open to public inspection or accessibility. Only in certain limited instances, when the employee has given a signed consent, will employee personnel records be accessible to individuals other than the employee or authorized school officials.

Employees may have access to their personnel files, with the exception of letters of reference, and copy items from their personnel files at a time mutually agreed upon between the superintendent or designee and the employee. While an employees has access to their personnel files they will be accompanied at all times by the superintendent or designee. Employees will not be allowed access to the employment references written on behalf of the employee. Board members will generally only have access to an employee's file when it is necessary because of an employee related matter before the board. An employee may obtain a copy of their personnel files upon request. The school district may charge a reasonable fee for each copy.

It shall be the responsibility of the superintendent to keep employees' personnel files current. The board secretary shall be the custodian of employee records.

It shall be the responsibility of the superintendent to develop administrative regulations for the implementation of this policy.
