

CLASSIFIED EMPLOYEE PERSONAL ILLNESS LEAVE

Classified employees shall be granted ten days of sick leave in their first year of employment. Each year thereafter, one additional day of sick leave will be granted to the employees up to a maximum of fifteen days. "Day" is defined as one work day regardless of full-time or part-time status of the employee. A new employee shall report for work at least one full work day prior to receiving sick leave benefits. A returning employee will be granted the appropriate number of days at the beginning of each fiscal year.

Evidence may be required regarding the mental or physical health of the employee including, but not limited to, confirmation of the following: the employee's illness, the need for the illness leave, the employee's ability to return to work, and the employee's capability to perform the duties of the employee's position. It shall be within the discretion of the superintendent to determine the type and amount of evidence necessary.

If an employee is eligible to receive workers' compensation benefits, the employee shall contact the Human Resources Office to implement these benefits.

The requirements stated in the Master Contract between employees in that certified collective bargaining unit and the board regarding personal illness leave of such employees shall be followed.
