

ATTENDANCE CENTER ASSIGNMENT

The board shall have complete discretion to determine the boundaries for each attendance center, to assign students to the attendance centers, and to assign students to the classrooms within the attendance center.

It shall be the responsibility of the superintendent to make recommendations to the board regarding any changes or modifications to established attendance centers and attendance center boundaries. In making such recommendations the superintendent shall consider the geographical layout of the school district, the condition and location of the school district facilities, the location of student population, possible transportation difficulties, financial condition of the school district and other factors deemed relevant by the superintendent or the board.
