

CCSD Education Foundation Grant Application

The CCSD Education Foundation will accept staff grant applications as funding allows. With the intention of impartiality, one grant will be allotted to each school. At this time, grants will be up to \$250 each.

Please fill out completely:

Date of request _____

Staff member building name _____

Staff member name _____

Description of request and how it will impact student learning (you may use additional space to respond – please attach to application)

How many students will be affected by your request _____

How does your grant request fulfill the mission of the Clinton Community School District (you may use additional space to respond – please attach to this application form)

Cost of request _____

Sign off from building Administrator

Please send all applications to the above address. You may mail Attn: Foundation or send via District mail. Applications will be reviewed by the CCSD Education Foundation Board. Grants will be determined by finances available at time of request. All applicants will be notified. If you do not receive assistance from your initial application, you are encouraged to submit again, 90 days later. This form may be duplicated.

Decisions for these grants will be made in February with announcements in March.

Thank you for your dedication to the Clinton Community School District staff and students!

CCSD Education Foundation Board of Directors
