If you purchase a membership through your group store, you'll also be asked for other info, and be prompted to login to your Just Between Friends account or create one, with which you can get other great benefits and update your info for your group any time. Then you'll be brought back to the store to complete your membership purchase.

Don't worry, we safeguard your info; and your credit card goes straight to the bank (merchant service). It doesn't get saved on our servers.

Your Just Between Friends account is free. There will be a small fee (10% min \$1 / max \$25) for purchasing online. You pay it, so your group doesn't have to pay the customary fees to do electronic transactions or operate a store online.

While you're signing up for your group membership or renewing, don't forget to purchase one or more of the fundraisers offered in your group's store.
